PRESS RELEASE

Friday, February 14, 2019

During late afternoon February 12 2020, Everest Metropolitan Police Department was notified of an allegation a D.C. Everest School District Senior High School teacher, Travis Carl Greil DOB: 06/24/1981 had used an electronic device in the school, to record underneath the clothing of a student without the student's consent. Everest Metro P.D. is working cooperatively with the administration of the D.C. Everest School District, the Department of Justice Division of Criminal Investigation and the Marathon County District Attorney's Office on this investigation.

A criminal investigation commenced and an electronic device was seized from Greil. Upon forensic preview of the device, it contained multiple videos where the device was positioned in such a way to capture, and did capture, recordings underneath the clothing of numerous females in the school setting. Initial reports indicate videos may have been captured over the course of approximately five years.

Greil was subsequently arrested and booked on the preliminary charge of Invasion of Privacy, Wisconsin State Statute 942.08(3). Greil is set to appear for a probable cause hearing in Marathon County Circuit Court, today at 2 p.m. Additionally, a search warrant was executed at Greil's residence in the City of Wausau, items were seized and are being processed as the investigation continues.

If you have any information related to this investigation, please contact the Everest Metro Police Department, case investigator Detective-Sergeant Dan Goff at (715) 359-4202, or during school hours, you may also contact School Resource Officer Frank Wierzbanowski at the DC Everest Senior High, (715) 359-6561. Crime victim services are available through the Marathon County District Attorney's Office and D.C. Everest School District has counselors available at all Everest Schools for students and staff.
