RE: Rib Mountain Response to COVID-19

Rib Mountain Residents and Business Partners:

The Town of Rib Mountain continues to monitor the escalating events related to COVID-19. At the March 17 Town Board meeting, the Board approved a Continuity of Operations Plan (COOP), which also included an emergency declaration. The plan outlines how the Town will deliver services to our residents and business partners during this health emergency.

The health emergency, as declared by President Trump and Governor Evers, continues to be fluid; therefore, the Town may need to modify our operations to the changing conditions. We will be relying on input and information from Federal, State and County officials. Please check our website and social media accounts (Facebook, Twitter and LinkedIn) for updates on possible changes in services.

At this point in time, the Town of Rib Mountain offices will remain open with our normal business hours, Monday through Friday, 8:00 am to 4:30 pm. Town Board and Commission meetings will be limited. For those wishing to attend, we are encouraging the public to join the meetings via the Town's tele-conference line. The conference line number is **715-679-8335 (PIN #3700)**.

As a precautionary measure, we are requesting all visitors to our municipal sites, to be aware of your own personal health prior to contact with the public. With the upcoming election, we are strongly encouraging residents to vote absentee. This can be done prior to the election in-person at the Rib Mountain Municipal Center during normal business hours until April 3, 2020. or a ballot can be requested online. For further information, please contact Town Clerk Joanne Ruechel or visit <https://myvote.wi.gov>.

Thank you for your understanding. If you have further questions, please do not hesitate to contact the Town Administrator at 715-842-0983 or at grhoden@townofribmountain.org. We understand this a trying time for everyone; but as a community, we will get through this.

Sincerely,

Town of Rib Mountain
