

Shine your light Central Wisconsin!
You're invited to a prayer vigil at our hospitals to share hope & appreciation

Tuesday December 22nd from 6:30pm – 7:15pm

Our health care workers have been faithfully and sacrificially serving our community through the local COVID-19 surge. They have tirelessly cared for our friends, neighbors, and community members through change, uncertainty, exposure risk, and layers of PPE.

Let's join together in prayer for our local health care heroes and those who are seriously ill with COVID-19. A number of Central Wisconsin churches are asking our attenders to **fast and pray on Tuesday, December 22**. Please pray specifically for:

- Romans 15:13 – renewed hope, joy, and peace for our health care workers.
- James 5:14-16 – healing for those ill with COVID-19 and other serious illnesses.
- Isaiah 41:10 – protection and renewed strength for first responders, teachers, leaders, local businesses, and families who are grieving.
- John 3:16-17 – revival in our city.
- An end to this pandemic.

As a culmination of this day of fasting and prayer, **please join us at Aspirus Wausau Hospital or Marshfield Medical Center Weston (formerly St Clares) at 6:30pm.**

At Aspirus, we will park in the west half of Plaza Drive parking lot. At MMC-Weston, we will park on Ministry parkway. See attached maps for each location.

- Please park every other parking space to maintain social distancing even if car windows are opened. Please stay in your vehicle. Please wear a face mask.
- Please park facing the hospital with your lights on, emergency flashers on, and tune your radio to 89Q.
- At **7pm** local pastors will lead us in group prayer on 89Q, then we'll sing 2 Christmas carols, and end with a "honk of hope" for the staff and patients!!!

Its been a challenging year for all of us. Let's come together to do something positive for our health care workers and our community!

Please invite your friends, family, and neighbors to join us!

Aspirus Wausau Hospital

Marshfield Medical Center – Weston

Please join us in the areas indicated by circle and stars!

Please park facing the hospital with lights on, emergency flashers on, and tune your radio to 89Q.

Please stay in your vehicles and allow space between vehicles to maintain social distancing in case car windows are opened.
