For Immediate Release

D.C. Everest & Wausau School Districts Team Up to Host 2023 Child, Student, & Family Disability Resource Fair on Saturday, February 25

(WAUSAU) – D.C. Everest and Wausau School Districts have teamed up to host the 2023 Child, Student, & Family Disability Resource Fair! This event, held at Wausau West High School on Saturday, February 25, is designed to connect families with a number of community resources, while at the same time, giving them opportunities to hear from experts in areas like Navigating Special Needs Family Dynamics, Power of Attorney and Guardianship, Addressing Anxiety in Young Children, and so much more!

In addition, Katie Berg MA Ed., Supporting Neurodiverse Students Statewide Coordinator, will be our keynote speaker: *“Students who do not use verbal language as their main communication mode are often misunderstood. Behavior that is challenging to us is only challenging until we know strategies to meet learners where they are. Come increase your understanding of how to show up for students who may have significant support needs.”*

This event is free to attend and is open to the public! There will also be food trucks on site and child care available for those who need it. To see the full schedule of events, the community invite is below. We are asking that families pre-register, if they can, using the QR code or by calling the number provided on the invite.

We sure hope you can join us!

-End of Release-

The Wausau School District does not discriminate on the basis of race, age, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability (“Protected Classes”).
